

Extras casting call

"Genuine" Kapiti Coasters keen to help out a local production are wanted.

The *Garage Sale* film team was planning an extras' casting call this Saturday, and wanted locals to apply. Casting coordinator Dra McKay said it was an opportunity for people to play their bit in a community-based story. "[It's] set on the Kapiti Coast so our first

thoughts are to use Kapiti Coast people.

"When they come to a casting call, all we're doing is meeting and greeting and taking details and photographs. The qualities we need in an extra is someone prepared to be patient, a good sense of humour, prepared to be told what to do."

The call will be held at Raumati South School, from 12 noon to 2pm.
